your lead**

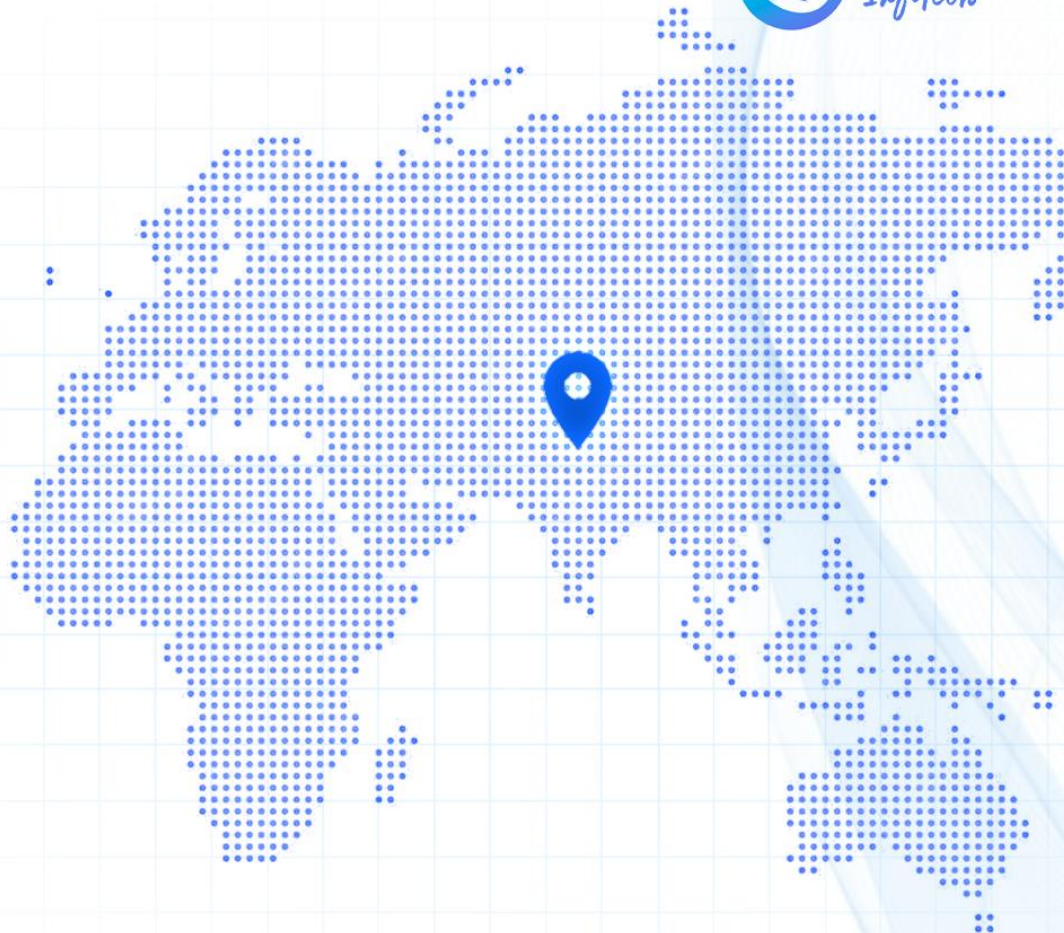

Who we are

Located in Delhi NCR (North India), We offer full-fledged services for software development and engineering empowering effective near-shore management to its clients. Recognised both on local and regional markets since 2015.

We continue to operate with higher client expectancy and flexible solution. We are pioneer in Interactive Virtual Teams (IVT) which enables client and the service provider to establish instant and successful communication channels, support off-shoring and near-shoring business models which leads to meet deadlines and to be on track.

We have worked on more than 50 projects and has a large customer base of customers all over India and USA, offering considerably lower priced services than EU Industry norm.

Why to choose us ?

True collaboration with
customers and partners

Complete understanding
of customers business

Persistence in finishing
the job whatever it takes

Young and Dynamic
Team

Overall 20+ year of
experience in market
